I highly recommend reaching out to Nishant for any chair or bar stool needs. He is truly exceptional and exceeded my expectations. He was able to secure the bar stools I needed on a tight deadline and even in the specific finish my boss requested. I am so grateful for his help, and I would give him 10 stars if I could. Thank you, Nishant, and I will definitely be returning for future needs.

Few months back I ordered furniture from Best of Exports for my custom furniture needs and I was impressed with their service and the quality of their work. From the initial consultation to the final delivery, the team at Best of Exports was professional, responsive and extremely helpful in bringing my vision to life.

The quality of the materials used and craftsmanship was evident in the final product. My new furniture perfectly fits my space and matches my personal style. I was also impressed with the lead time, it was shorter than I expected for customized furniture.

I highly recommend Best of Exports to anyone in the market for custom furniture. Their attention to detail and customer service is outstanding. Thank you Best of Exports team

Best place to buy affordable and vintage looking furniture. It's my second deal with them and I really love their unique collection which they keep on upgrading frequently. If you are looking for restaurant furniture, bar furniture or cafeteria furniture then this is the place for you.
